To Whom it May Concern,

I have had the pleasure of knowing Emily Faith Medlin all her life. I grew up in Church with her parents. Her Father and his twin Brother have served the Wilson's Mills Fire/Rescue Department for three decades. I have served with them for twenty-five of those years the last 11 years as the Fire Chief. With that, Faith grew up around public servants. Once she was of age, she joined the Junior Firefighter program at the Wilson's Mills Fire/Rescue Department.

During Faith's time with the Junior Firefighter Program, she was a complete asset to the program. Her work ethic and willingness to learn is remarkable. She is always striving to learn and progress her knowledge in the fire service. Faith was involved with the NC High School Fire program at Clayton High School. During this time, she maintained high grades, not only in the Fire Program, but also her other courses.

I would highly recommend Faith to receive any available Scholarship to assist in her advancing her education. If you would like any additional information, please do not hesitate to contact me via email at [bentleypowell@wilsonsmillsfd.com](mailto:bentleypowell@wilsonsmillsfd.com) or phone at 919-915-1171
