

## Letter of Recommendation for Walker Wright

To whom it may concern,

I am writing to recommend Walker Wright. I have had the privilege of being one of Walker's football coaches over the past three years.

During this time I have seen Walker exhibit a number of qualities that will affect his community in a positive way. Walker has a unique blend of both confidence and humility. He is bold when needed and able to heed constructive criticism when needed as well. I have seen this play out in a number of different situations in the classroom and on the field.

Walker's time at Dripping Springs High School is marked by service and leadership. He has an extensive list of accomplishments, awards, leadership roles and service activities, including National Honor Society, Student Leadership Council, Leadership Council for the Football team, as well as being named a 1<sup>st</sup> Team All-State punter. Two of his accomplishments that I find most impressive are the Texas Football Scholar Athlete of the Week and the numerous leadership positions that he has held in the Young Men's Service League. All of this was accomplished while maintaining a 105 GPA and holding a class rank of 67.

It has been a delight to be able to witness Walker's growth over the past three years. His character, genuine love for other people and natural leadership ability have made an impact on me and will surely make an impact to whatever community Walker finds himself apart of in the future.

Should you have any further questions about Walker feel free to reach me at [matt.wilkins@dsisdtx.us](mailto:matt.wilkins@dsisdtx.us).

Sincerely,

Matt Wilkins

Asst. Football Coach/Science Teacher

Dripping Springs High School
