

To Whom It May Concern:

With great pleasure, I ask you to accept this letter of reference for Princesse Emilcar, an enthusiastic, and admirable student with an infectious desire for education. Princesse is one of the most extraordinary students I have encountered in my teaching career thus far. She has always possessed a genuine hunger for learning and has always surpassed any expectations I had for her. Therefore, I am confident in supporting her application to you, as it is an opportunity for Princesse to exercise her natural passion to excel in the world after high school.

Currently, Princesse is completing her last year at Atlantic Community High School. A transitional phase for students, Princesse has taken to this part of her life with optimism and eagerness. Whereas many young adults hesitate to take this challenging step, Princesse has embraced it and excelled. Princesse is an active AVID Student, ROTC Major, and an Honor Roll student (four years straight!). In addition to her over 150 volunteer hours and academic success, Princesse also participates in the Atlantic High School Dance Team!

Thus, I am assured that Princesse will be a successful leader in whatever environment she is in. With Princesse I enjoy insightful conversation, witty jokes, and a mutual perspective about life and society. I know you will not go wrong with such a personable and gifted young student at the beginning of her life on your team. Please let me know if I can be of any further assistance in my recommendation.

Sincerely,
